* An asterisk indicates that the plaintiffs in these three cases (Andrew County, MO; Barry County, MO; and Grundy County, MO) have recently informed M&D that they served a summons and complaint on January 27, 2023, immediately before this filing was due. However, these cases were originally filed years ago. Accordingly, these plaintiffs “did not obtain timely service of process,” and therefore, per the Court’s Order on January 3, 2023, M&D has listed the cases here. *See* Order Regarding Plaintiff Fact Sheets and Service of Process, Dkt. 4801.
